IN THIS ISSUE: A Special Holiday Scrapbook!

COMIC SHOP NEWS
CHRISTMAS SPECIAL

Deluxe Items

Some people say a comics collector can be hard to shop for during the holidays; it's hard to keep up with just *what* he or she collects, and you have no idea what he or she hasn't already bought. After all, comics collectors aren't always known for their patience and restraint...

For many collectors, the way to guarantee a great holiday surprise—and the kind of gift that the collector would rarely buy for himself or herself—is to shop for *deluxe comics items*. These are often the sort of items that collectors simply can't afford for themselves, which means that they'll be very much appreciated as gifts.

Thanks to the efforts of a large number of publishers who want to make sure that some comics items get the quality treatment that they deserve, there are numerous slightly more expensive items that would appeal to the tastes of any collector. These items are very often a bit too expensive for collectors who spend most of their comics budget keeping up with their weekly titles; however, they're in the perfect price range for gifts.

Many collectors would love to own original comic pages, but price and availability make these original pages hard to obtain. IDW has given fans the next best thing: ***Walt Simonson's The Mighty Thor Artist's Edition***. This beautiful book reprints the famous first appearance of Beta Ray Bill scanned in color from Simonson's personal collection of art and printed in its original size.

The ***Bone 20th Anniversary Box Set*** reprints all 1,344 pages of this amazing all-ages story in glorious full color for the first time. The beautifully illustrated box contains a treasure trove of *Bone* collectibles including a feature length documentary DVD, a 22k gold plated Bone coin, a signed and numbered art print, three pewter figures, and a black and white reprint of the *Bone #1* comic book, making it the ultimate ***Bone*** collectible for fans of *Jeff Smith's* magnum opus.

Marvel has an amazing series of ***Omnibus Editions*** on the shelves. Every massive hardcover reprints dozens of issues of the series and includes all of the original material—including the letter's pages—from the original books. Stephen King's ***Dark Tower Omnibus*** (below) collects the first five volumes of the ***Dark Tower*** comics adaptation and reprints material never collected before. In the ***Captain America by Jack Kirby Omnibus***, the King of Comics both writes and draws some of the oddest Cap stories ever. Other new ***Omnibus*** include: ***Amazing Spider-Man by Michelinie and McFarlane; Wolverine by Jason Aaron, Captain America Lives, Atlantis Attacks, Evolutionary War***, and more.

Happy Holidays and welcome to the *CSN Christmas Special 2011!*

The holiday season is a time for gifts of wonder and excitement—and what better con veys both wonder and excitement than the many worlds of comic books? The exploits of Santa and his reindeer have nothing on the adventures of Superman, Batman, Wonder Woman Thor, Iron Man, Spider-Man, Captain America, and the many other heroes who populate the world of comic books.

For gift-givers, we offer the ***CSN Holiday Special***. In this publication, you will find a wide assortment of holiday gift ideas; at the end of the ***CSN Holiday Special*** is a "wish list." All the comics fan has to do is read through the catalog, mark his or her gift wishes, and pass the list along. What could be easier?

Best of all, this ***CSN Holiday Special*** makes it easy for gift-givers to do what they wanted to do all along: give a thoughtful gift that will truly please the recipient. This special is filled with hundreds of gift ideas ranging in prices from a dollar to hundreds of dollars, and covering pretty much every pricepoint in between.

Of course, the ***CSN Holiday Special*** is nowhere nearly complete in its listings. The best way to get an idea about everything that's available is to talk to the folks at your friendly neighborhood comics shop; they're knowledgeable people who will be able to help you find just the right gift idea.

Happy Holidays!

DC offers a similar line of hardcover ***Omnibus Editions***. Marv Wolfman and George Perez's ***The New Teen Titans Omnibus Vol. 1*** presents the first sixteen issues of their amazing series. ***The Flash by Geoff Johns*** and ***Teen Titans by Geoff Johns Omnibus*** collects some of Johns' work that made him the favorite writer he is today. ***The League of Extraordinary Gentlemen Omnibus*** compiles *Alan Moore & Kevin O'Neill's* first two metafictional adventures in a single volume. Two volumes of the ***Green Lantern Omnibus*** are also available, collecting the classic Silver Age ***Green Lantern*** adventures.

The DC Comics Universe was relaunched this year, and just in time for the holiday season, ***DC Comics, The New 52 HC*** collects every New 52 first issue in one giant compendium. This collection is the perfect way to introduce fans to the new status quo of the DCU.

For the fan looking for the pinnacle in comic packaging, DC presents the ***Absolute*** editions. These slipcase editions offer oversized artwork, excellent binding, and a plethora of extras added to every volume. ***Absolute Identity Crisis*** is the ultimate collection of *New York Times* best-selling author Brad Meltzer's ground-breaking story and contains covers, art, and original script pages. ***Absolute Batman: Hush*** and ***Absolute All Star Superman*** are finally back in print. Other new titles include the recently released ***Absolute Sandman Vol. 5*** and ***Promethea Vol. 3***.

Fans of the classic age of comics will find themselves thrilled to see the line of ***DC Archives*** and ***Marvel Masterworks***. The early days of Spider-Man, Superman, Captain America, Green Lantern, and all of their favorites are reprinted in deluxe hardcover editions.

The ***Battle Chasers Anthology HC*** from Image collects every issue of Joe Madureira's beloved series with new sketches and artwork. With the success of the television show, ***The Walking Dead Omnibus Vol. 1 & 2*** are back into print to go along side ***Vol. 3***. Also available at your local shop are favorites like ***The Boys Definitive Edition Vols. 1-3*** and ***Spawn Origins: Deluxe HC Vols. 1 & 2***.

Statues, statues, statues! Boy, are there some great statues on the market! The past year has seen the release of many collectible replicas from various publishers. DC Direct has released a series of ***Blackest Night*** busts under their ***Heroes of the DC Universe*** line including ***Black Lantern Nekron, Red Lantern Atrocitus, Black Hand, Blue Lantern Saint Walker, Larfleeze the Orange Lantern, White Lantern Sinestro, Black Lantern Batman, Green Lantern Hal Jordan***, and more.

The ***DC Universe Online*** line of statues includes: ***Batman, Superman, Wonder Woman, Green Arrow, Catwoman, Harley Quinn***, and more. Each statue is based on legendary artist Jim Lee's designs for DC's new online game.

The discerning collector will be proud to own DC's ***Harley Quinn 1:4 Scale Museum Quality Statue***. DC Direct's newest addition to its 1:4 museum quality statue presents the Queen of Crime like never before. She's dressed in an authentic fabric replica of her classic costume and other quality mixed media that make this a must have.

Marvel fans need not worry! Randy Bowen once again brings his amazing skills to his line of statues and busts. Several new statues include

Courtesy your friendly neighborhood comics outlet!

Spider-Woman, ***Classic Iron Man***, and ***Thor***, or choose from busts like ***Mockingbird***, ***Thanos***, and ***Iron Spider-Man***. There are many others available, and your local comic shop will be happy to help you find just the right one.

If you want to get something a little less fragile, then you might turn your attention to action figures. Both DC and Marvel offer many different figures to choose from. These figures can only be found in comic shops, so they are great, unique gifts. Some fan favorites are the ***Marvel Select Deadpool*** (above) and ***Thor, Movie Version*** figures, the McFarlane Toys ***Walking Dead*** figures, and DC Direct's ***Flashpoint*** line of figures.

Other items that many fans might not be able to work into their comics budget but would love to have are Think Geek's ***Star Trek Enterprise Pizza Cutter*** or the ***Mimobot USB Flash Drives*** designed to resemble your fan's favorite heroes. DC Direct has the ***Blackest Night 1:4 Scale Power Battery and Ring Replica*** line, ranging the entire spectrum of colors, that would be perfect with the previously mention busts!

Every reader has a favorite writer or artist—and what better item could you give than a limited edition volume autographed by that comic book creator? And of course, the folks at your local comic shop can help you find other autographed items perfectly suited for Christmas cheer.

These are only a few of the high-quality deluxe items available in your local comic shop this holiday season. In addition to the books mentioned here, comic shops often have a selection of fine deluxe items that are no longer in print from publishers. *Always* take a few minutes to talk to the helpful people at your comics shop before you decide what gift to give; their expertise can be very helpful in selecting just the right item in a price range you'll be happy with. They can also point out items that would be perfect accompaniments for any deluxe gift item you might be interested in. If you're shopping for a comics fan, the friendly folks at your comics shop could be the best "Santa's helpers" you can find.

Trade Paperbacks

Not that long ago, if a comics fan missed a particularly popular story in his favorite comic, he was out of luck unless he could find it in high-priced backstock. Nowadays, though, comics companies regularly offer some of their very best comics material in trade paperback or hardcover. These volumes are proven winners as a gift item since they generally offer a complete story in one handy volume. Great new stories, quality reprints of some of comics' best—it's a win-win situation for gift-givers!

In the past few years, the number of trade paperbacks, hardcover reprints, and graphic novels has grown enormously, making scores of gift choices available that are sure to suit any comics fans' tastes. Best of all, many of these books are priced at $30 or less, allowing you to give lots of reading enjoyment without having to trim your gift list!

Just in time for this holiday season, artist/writer Lee Bermejo explores the makings of Gotham's Dark Knight in the original graphic novel ***Batman: Noel***. Inspired by *Charles Dickens'* classic ***A Christmas Carol***, ***Noel*** features multiple interpretations of Batman, his enemies, and his allies in different eras of Gotham's history. Characters like Robin, Catwoman, the Joker, and Superman all take on recognizable roles to anyone familiar with Dickens' work, making this hardcover a great gift idea.

Batman: Hush Unwrapped presents the classic Batman epic by *Jeph Loeb & Jim Lee* with a twist. In this edition, *Jim Lee's* amazing art is presented in its pencils form for the first time ever, which is sure to be loved by comic book art fans. *Jeph Loeb's* equally loved story ***Batman: The Long Halloween***, with art by *Tim Sale*, is also available in a new trade paperback edition this holiday season, including extra pages originally only available in the ***Absolute*** edition.

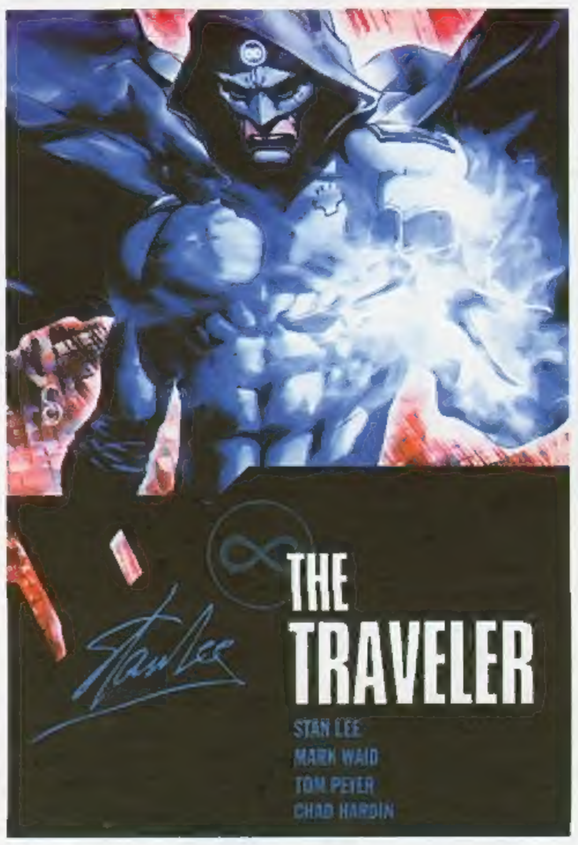
Comics legends *Marv Wolfman & George Perez's* ***New Teen Titans: Games HC*** delivers a long-lost story that harkens back a quarter century, when their book was one of the best-selling monthly comics on the market. Long-time fans will rejoice to see their favorite characters back in action as they face a villain who has made all of New York City into his gameboard and the Titans his pawns. Nearly twenty years in the making, this never-before-told story is sure to be loved by your fan this holiday season.

DC keeps the great gifts coming with the ***Flashpoint HC***, collecting the entirety of the ground-breaking series that paved the way for the relaunch of the DC Comics universe. Fan favorite writer *Geoff Johns* and artist *Andy Kubert* tell an action-packed time-twisting tale that's equally fascinating for new and old readers.

One of Marvel's biggest events this year was the death of the Ultimate Universe's Peter Parker. Award-wining writer *Brian Bendis* retunited with record-breaking artist *Mark Bagley* reunite to bring readers one of the most shocking Spider-Man stories ever in ***Ultimate Comics Spider-Man: Death of Spider-Man***. As the dust settles, ***Ultimate Comics Fallout*** explores the repercussions that will shape the Ultimate Universe for years to come—including the introduction of a new Ultimate Spider-Man!

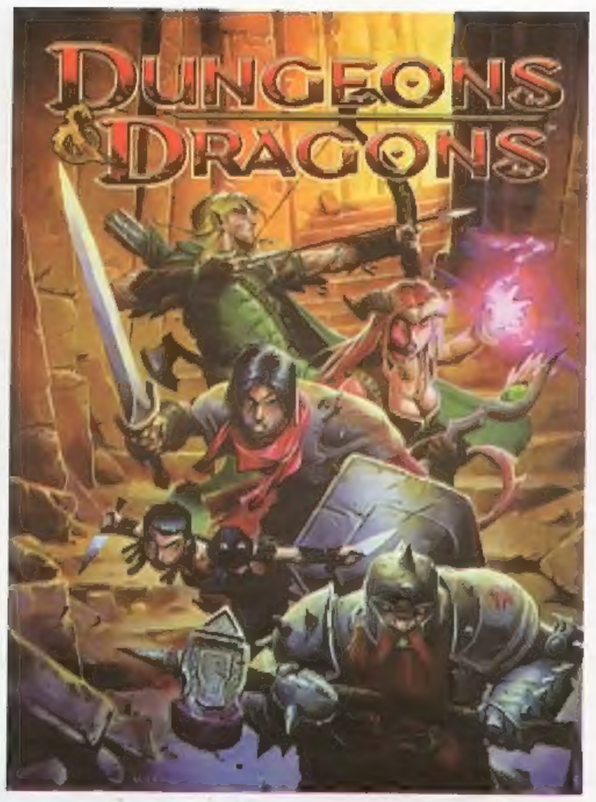
X-Men fans are in luck because the mutants have had a very busy year. A new status quo has been established for years to come, and it all starts in the ***X-Men: Prelude to Schism HC*** (below) with the exploration of what makes a true leader and the hard choices that come with the title. For fans of the classic *Age of Apocalypse* story line, the ***X-Men: Age of X HC*** presents a world where mutants, hunted near extinction, decided it is time to take a stand no matter the cost.

Legendary comics creator *Stan Lee* and Boom! Studios team up to bring a host of Stan's creations to life with the help of several talented writers and artist. ***Stan Lee's Soldier Zero*** tells the story of an injured war veteran infected with an alien parasite that gives him powers no mortal can imagine. In ***Stan Lee's Traveler***, a mysterious man known only as The Traveler battles the forces of evil throughout time, and all of history and the future depends on him. ***Stan Lee's Starborn*** presents the story of a failed fantasy novelist who learns that all of his stories are actually memories of his home planet, and now he must come to terms with his alien heritage while being pulled into a galactic war. Two trade paperback collections are available for each series.

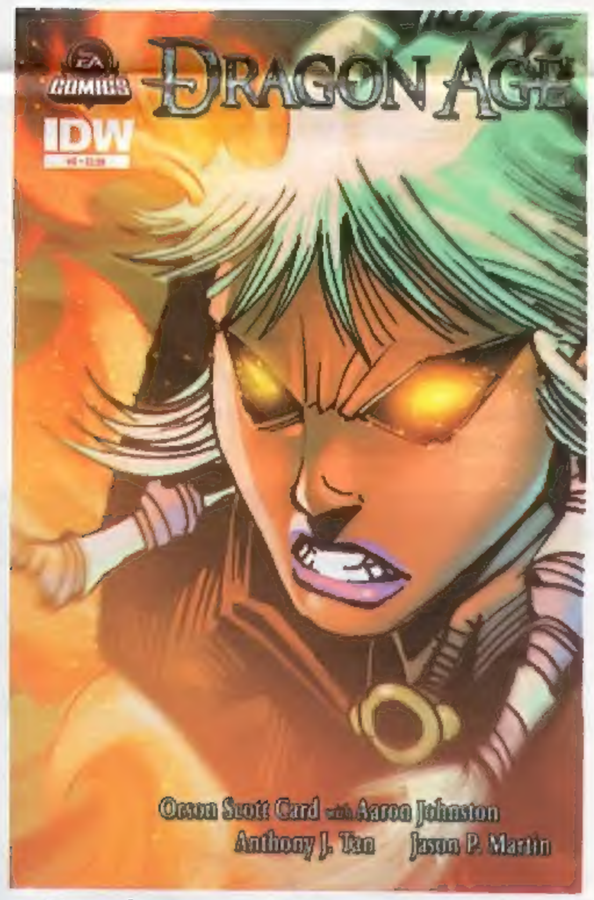


The Death-Ray, *Daniel Clowes'* newest graphic novel, explores the darkness of the human psyche and has won the Eisner, Harvey, and Ignatz awards. Using the classic comic book staples, Clowes turns orphaned teen Andy into a nicotine-fueled, postmodern vigilante. This oversized hardcover graphic novel is perfect for anyone looking for something a little more thought provoking than the average superhero book.

IDW has your fantasy loving fans covered this holiday season. The ***Dungeons &***



Dragons: Shadowplague HC collects the first story arc of the new ongoing hit series sure to please any fan of action, humor, and smart writing. ***Dungeons & Dragons: Dark Sun, Ianto's Tomb HC*** collects the limited series set in one of D&D's harshest worlds. Both of these hardcovers are designed to look like ***Dungeons & Dragons 4th Ed.*** books and contain premade characters based off the heroes in the books and playable adventures inspired by the story, making these perfect gift ideas! Other new releases in IDW's D&D include ***Forgotten Realms: The Legend of Drizzt Omnibus, Forgotten Realms: Classics Vol. 1 and 2,*** and ***Dungeons & Dragons: Classics Vol. 1 and 2.***



If you have an avid gamer on your list, there are several greats collections that may scratch that itch when the game is over! ***Batman Arkham City*** collects the videogame prequel five issue mini-series in one convenient hardcover! As fans wait for the next ***Halo*** game, the ***Halo Fall of Reach: Boot Camp*** and ***Covenant*** hardcovers, written by 343 Industries' *Brian Reed*, further expand on the universe they love. Several other books based on popular games include ***Rage TP, Mega Man: Let the Games Begins TP, Mass Effect Evolution TP, Dragon Age TP,*** and more.

Artist/Writer *Craig Thompson* is known for his emotional, slice of life stories that are both uplifting and heartbreaking. His highly anticipated original graphic novel ***Habibi*** continues that tradition. This timeless story explores our relationship with the natural world, cultural division, the common heritage of Christianity and Islam, and the magic of storytelling through child slaves Dodola and Zam.

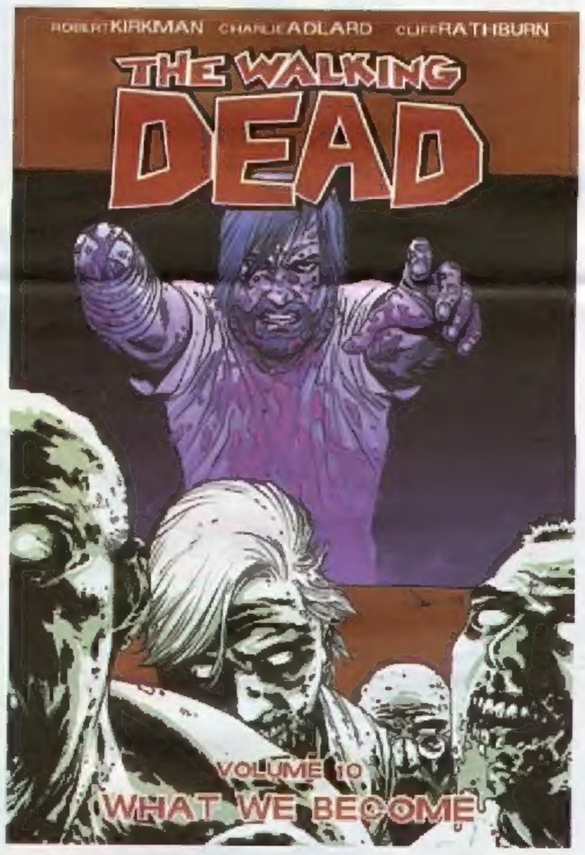
Vertigo has a great line-up of original graphic novels and collections this holiday season! ***A Flight of Angels*** (above) explores the mythos of Angels through the paintings of legendary fantasy artist *Rebecca Guay* and several high-profile fantasy writers, including *Bill Willingham* and *Holly Black*. *Grant Morrison's* ***Joe the Barbarian Deluxe Edition HC*** collects his latest work that he describes as "***Home Alone*** meets ***The Lord of The Rings.***" The ***We 3 Deluxe Edition*** collects Morrison and *Frank Quitely's* critically acclaimed series in an oversized hardcover that includes ten brand new pages of story, character designs, sketches, and scripts excerpts with commentary, making it a perfect gift.

Brian K Vaughn's ***Y: The Last Man*** is one Vertigo's truly standout titles. The concept behind the book seems like something out of a bad teen-sex-farce—every male creature on the planet except for one human and one monkey dies. The handling of the subject is anything but juvenile. The ***Y: The Last Man Deluxe Edition*** hardcover series reprints the entire series on quality paper in five slightly oversized volumes.

Bill Willingham's ***Fables*** is a tremendous series that puts the idea of the fairy tale in an all-new perspective. Fifteen volumes have been released with the sixteenth due out in December. There are several additional collections including ***Fables: 1001 Nights of Snowfall,*** an original graphic novel, the spin-off series: ***Jack of Fables,*** and ***Cinderella: From Fable Town With Love.***

After years in the making, writer/artist *Frank Miller's* ***Holy Terror***—once envisioned as a Batman original graphic novel—tells the story of Empire City and its hero The Fixer. He is on a brutal quest to stop an army of terrorist from comitting a crime against humanity. Fans of ***Sin City*** will enjoy this new book.

Alan Moore & Kevin O'Neill continue the latest chapter of ***The League of Extraordinary Gentlemen*** in ***Century: 1969.*** The League is taken to the psychedelic daze of Swinging London on the cusp of a new decade. If your fan loves Moore's works but has never read ***The League,*** Vertigo has just the thing for them: ***The League of Extraordinary Gentlemen Omnibus HC,*** collecting the first two volumes in a single edition for the first time.



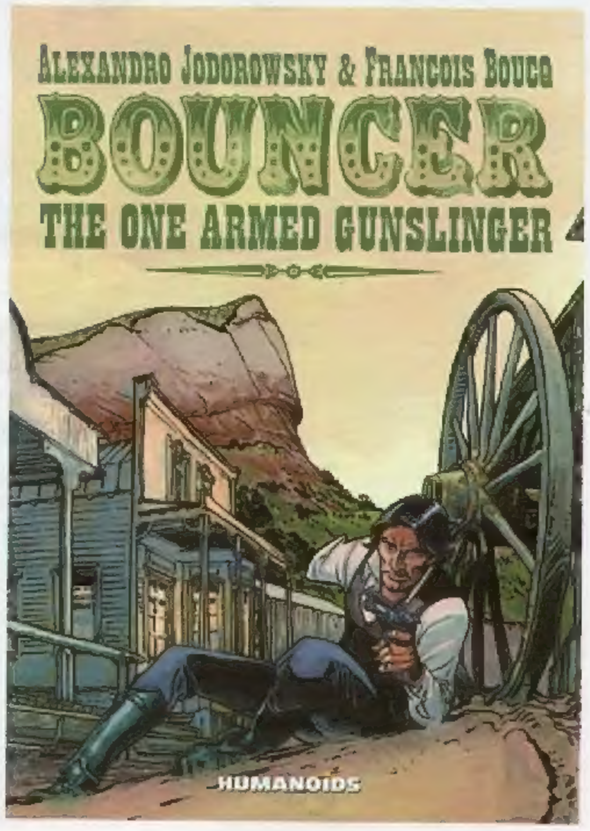
Does the person on your shopping list have a tase for zombies? If so, *Robert Kirkman's* ***The Walking Dead*** might be something you want check out. Kirkman has crafted a engrossing tale of survival in a world ravaged by zombies. Fourteen volumes of this series are now available in trade paperback with the fifteenth one coming in December; seven volumes of the oversized hardcover collections are also available. ***The Walking Dead Survivors Guide TP*** gives a detailed description of each character in the book—perfect for new and old readers. For fans of the hit television series based on the comic, ***The Walking Dead Chronicles*** offers a rare behind the scenes look of the first season of the TV series based on Kirkman's comic.

Fans of his zombie epic may also be interested in Kirkman's critically acclaimed series ***Invincible*** about the son of the world's greatest hero—or is he? There are fourteen volumes of the trade paperback available, and six volumes of ***Invincible: The Ultimate Collection,*** the larger hardcover collections. From the pages of ***Invincible,*** the ***Science Dog HC*** collects two one-shot issues starring the titular hero. Other great Kirkman collections include ***Super Dinosaur TP Vol. 1, Guarding the Globe TP Vol. 1, Haunt: Immortal Edition Vol. 1 HC, The Infinite TP Vol. 1,*** and ***Astounding Wolf-Man TP Vol. 1-4.***

The 1970s and early '80s were very productive for horror legend Bernie Wrightson within the pages of ***Creepy*** and ***Eerie.*** Now, in one amazing hardcover, his short stories, color illustrations, and frontispieces have been beautifully restored and collected in ***Creepy Presents: Bernie Wrightson.***

All of the heroes mentioned in this guide wouldn't be around today without the work of legendary creators like Jack Kirby or Joe Simon. The ***Jack Kirby: Fourth World Omnibus, Jack Kirby: Galactic Bounty Hunters, Fighting American,*** and more are now collected in affordable trade paperbacks and hardcovers that will make anyone happy this holiday season.

Finding comics that were originally published in other countries used to be a lot like spotting flying reindeer: almost impossible! However, companies like Humanoids and Kodansha have strived to bring quality translations of these titles to the states. Several Humanoid collections are available at your local comic shop including ***I Am Legion TP, Bouncer The One Armed***



Gunslinger HC, Metal Hurlant HC Vol. 1 & 2, The Hounds of Hell TP, Pandora's Eyes, and others.

At long last, fans can thank Kodansha for bringing ***Sailor Moon, Pretty Guardian*** back

into print in the US in new translations that restore original character names and more. Two volumes of the manga are currently available. You can also surprise your fan with ***Codename: Sailor V,*** the prequel to and inspiration for ***Sailor Moon***. Translated into English for the first time ever, the two available ***Sailor V*** volumes are great companions pieces.

There is more to Marvel than just new material; you can find some great volumes that collect the early stories of some classic heroes. Some of the newest additions to Marvel's ***Essential*** line include the ***Essential Rawhide Kid Vol. 1, Sgt. Fury Vol. 1, Amazing Spider-Man Vol. 6, Essential X-Men Vol. 9, Marvel Two-in-One Vol. 3***, and many others. These are but a small sampling of the great collections that Marvel has put together for fans just looking for great reading material.

Not to be outdone, DC has issued their line of ***Showcase Presents*** softcover volumes. Like the Essential collections, these books reprint classic material from all genres—war, adventure, science-fiction, Western, superheroes, and more— in easy-to-afford black-and-white volumes. Recent additions to line are: ***Showcase Presents Batman Vol. 5, Ghosts, All Star Comics Vol. 1, Trial of the Flash, The Witching Hour Vol. 1, Doc Savage,*** and others. These terrific collections offer long-time fans a great way to read some very rare and valuable material.

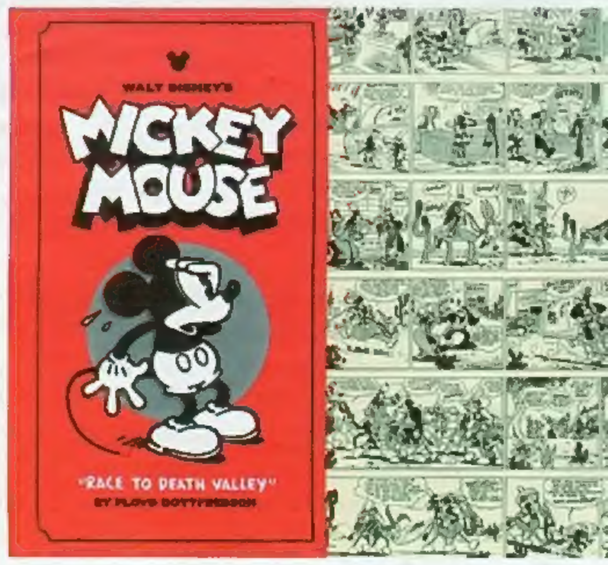
Don't worry. There are also tons of great options for younger comics fans, too. Archie remains to be one of the most popular all ages characters. ***The Best of Archie Comics*** offers one of the best values out there with over four hundred pages of material for under $10! In Archie's first ever original graphic novel, ***The Archie Babies,*** everyone's favorite Riverdale teens are seen as the never have been before: in their diapers!

From their past to their future, ***Archie: The Married Life Book 1*** follows two parallel worlds where Archie is married to Betty in one and Veronica in the other. There are many more ***Archie*** collections available, so ask your local comic shop for help finding the perfect one for your young—or young at heart— reader.

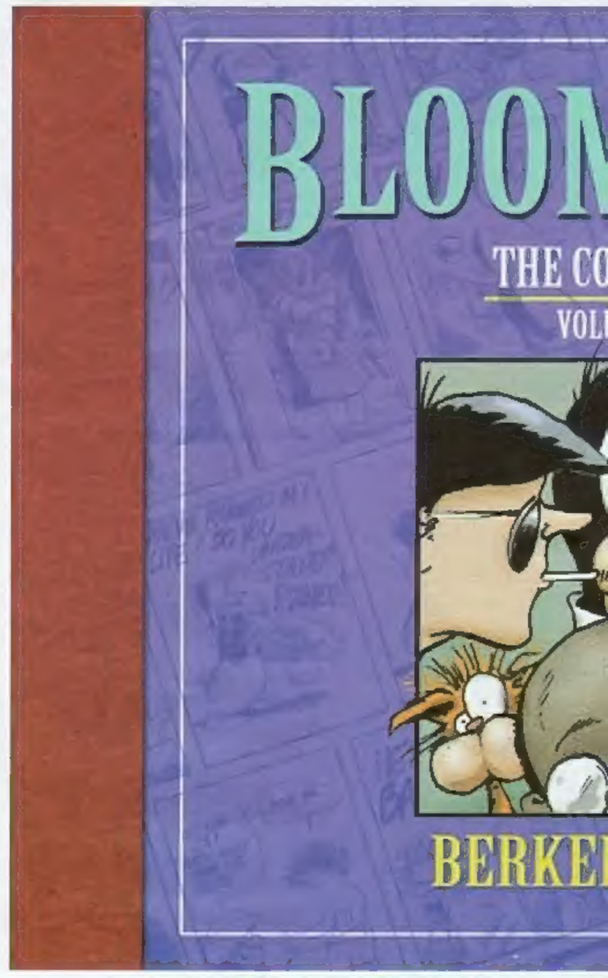
All these holiday choices—and this list is still far from complete! If you want to know more about what's available, talk to Santa's helpers at your local comics shop and see what they can do to make this the most memorable Christmas ever!

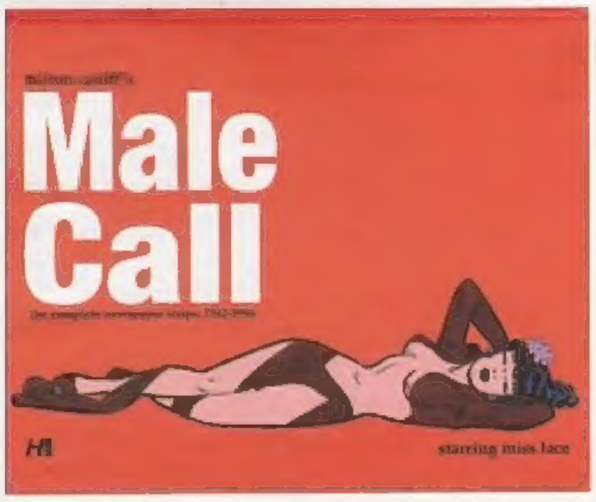
Comic Strip Reprints

Comics fans often overlook the original comics art form: the comic strip. Comic strips predate the comic book by decades. Once the exclusive property of newspapers, comic strips have also become an online staple. Many of the best strips from today and yesterday can be found in handy trade paperbacks and hardcover anthologies that can open up an all-new world of comics reading.



Before Mickey Mouse became the face of Disney, he was a rough and tumble action hero. His adventures began in the 1930s in a daily comic strip by *Floyd Gottfredson*. For the first time, these strips have been reprinted in their entirety in ***Walt Disney's Mickey Mouse Vol. 1: Race to Death Valley*** and ***Vol. 2: Trapped on Treasure Island***. Beautifuly reproduced from Disney's original negatives and proof sheets, these collections of stories are sure to please your fan. Both volumes can be found in ***Walt Disney's Mickey Mouse Collector's Box Set*** featuring a durable slipcase containing both volumes.





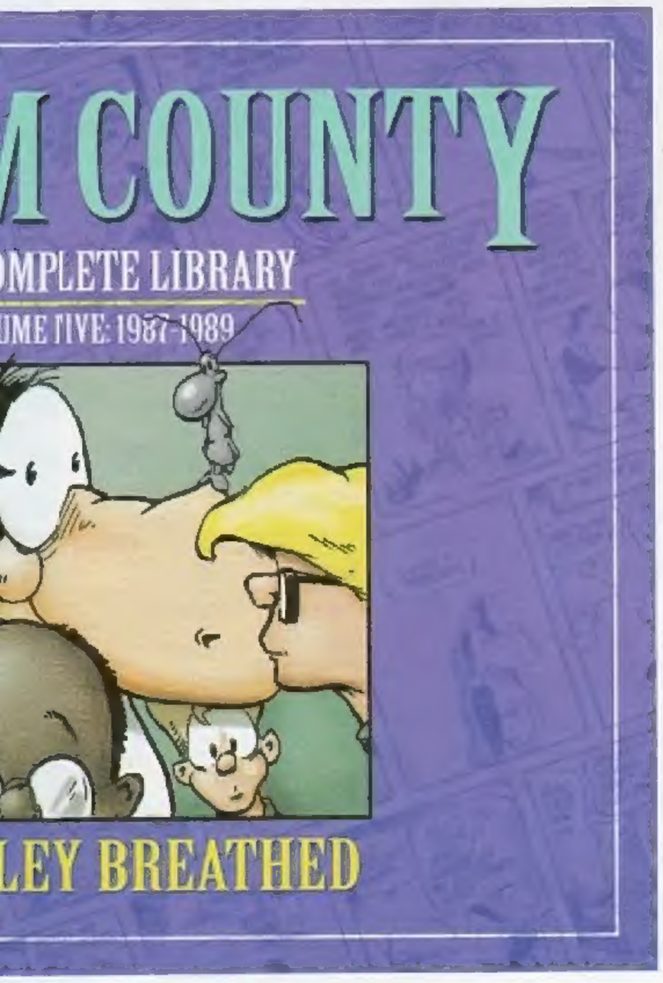
During World War II, *Milton Caniff* created the character of Miss Lace specifically for service men. In ***Milton Caniff's Male Call,*** the famous good girl's adventures are collected in their entirety. With unused art, advertising material, and an introduction from Caniff historian *R.C. Harvey*, your fan will love this amazing collection.

Willie & Joe: Back Home welcomes back WWII soldiers Willie and Joe as they adjust to life back in the US. Creator *Bill Mauldin* used his strip to take a critical look at the uneasy atmosphere of the period. Many of Mauldin's strips were censored at the time, but this book identifies and restores these strips for the first time.

If your fan enjoys super heroic adventure, you're in luck! ***Spider-Man Newspaper Strips Vol. 1 & 2*** reprint the Wallcrawler's newspaper adventures by *Stan Lee & John Romita* from January 1977 to January 1980.

The lovable, edible, odd-shaped creature known as Shmoo is one of *Al Capp*'s most successful creations. While he starred in his own comic, Shmoo also appeared in newspapers from 1948 to 1976. For the first time, ***Al Capp's Shmoo Vol. 2: The Newspaper Strips*** collects the entire run of the strip and features rare promotional art and Al Capp photos.

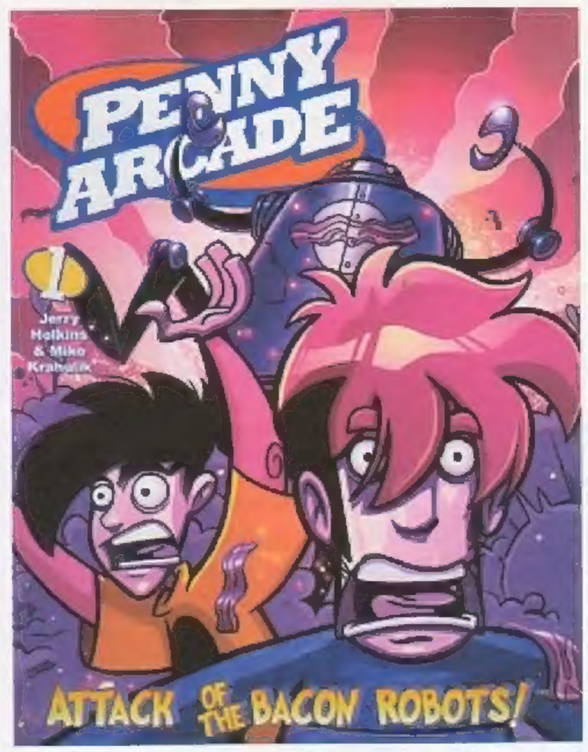
The ***Bloom County Complete Library***'s final book, ***Volume 5,*** finishes collecting one of the most popular and critically acclaimed comic strips. These beautiful hardcovers reproduce *Berkeley Breathed's* comic in its entirety from 1980 to his final strip on August 6, 1989, complete with fascinating commentary by Breathed himself.



Charles Schulz's brilliant ***Peanuts*** is quite possibly the most popular and infuential of all modern comic strips. Fantagraphics presents the entire fifty-year run of the series in ***The Complete Peanuts***. Each volume features special interviews and information about Schulz and his creation. Sixteen out of 25 hardcover volumes have already been released.

There have been many ***Flash Gordon*** reprint volumes spotlighting *Alex Raymond's* stunning artwork, but none has presented the pages as they were originally published, complete with the ***Jungle Jim*** header strip. *Dean Mullaney* is remedying that oversight with ***The Definitive Flash Gordon & Jungle Jim Volume 1 HC,*** which presents the two strips in the same full-page format that marked their original release.

There is a whole genre of comic strips that is located online, but that doesn't mean you can't find collections at your local comic shop. Collections of the popular series ***Penny-Arcade, Saturday Morning Breakfast Cereal, PVP, The Order of the Stick, Achewood, Axe Cop,*** and more are all available on your local store's shelves!



Many other strip reprints are available, including volumes of ***Mutts, Garfield, Dick Tracy, Little Orphan Annie, Pearls Before Swine,*** and more. Ask the staff of your local comic shop for suggestions for comic strip reprint books that would make excellent--and unexpected--gifts for the holidays. Before too long, you might find those comics fans eagerly scanning through the daily newspaper (if they don't already)...

Books About Comics

Comics fans are often interested in their hobby to such a degree that they want to read *about* comics as much as they want to read the comics themselves. There are a number of books that focus on comics as a hobby or on the lives of noteworthy comics creators.

In the ***Conversations with Comic Artists*** series, a single creator's career is explored in a series of interviews focusing on the craft. ***Alan Moore: Conversations*** takes readers on a journey through Moore's works from ***V for Vendetta*** to the unfinished ***Big Numbers.*** For fans of the classics, ***Will Eisner: Conversations*** explores the life and creative process of one of the industry's true legends, and the man who made the graphic novel a dominant art form.

If your comics enthusiast can't get enough Alan Moore, look no further than ***Alan Moore: Storyteller***--the first book to have Moore's cooperation and support as it presents an insightful overview of his career. Using Moore's personal archives, ***Storyteller*** pairs his most popular and least known works with critical commentary. As a extra treat for fans, a CD containing excerpts from some of Moore's multimedia performances and songs is included.

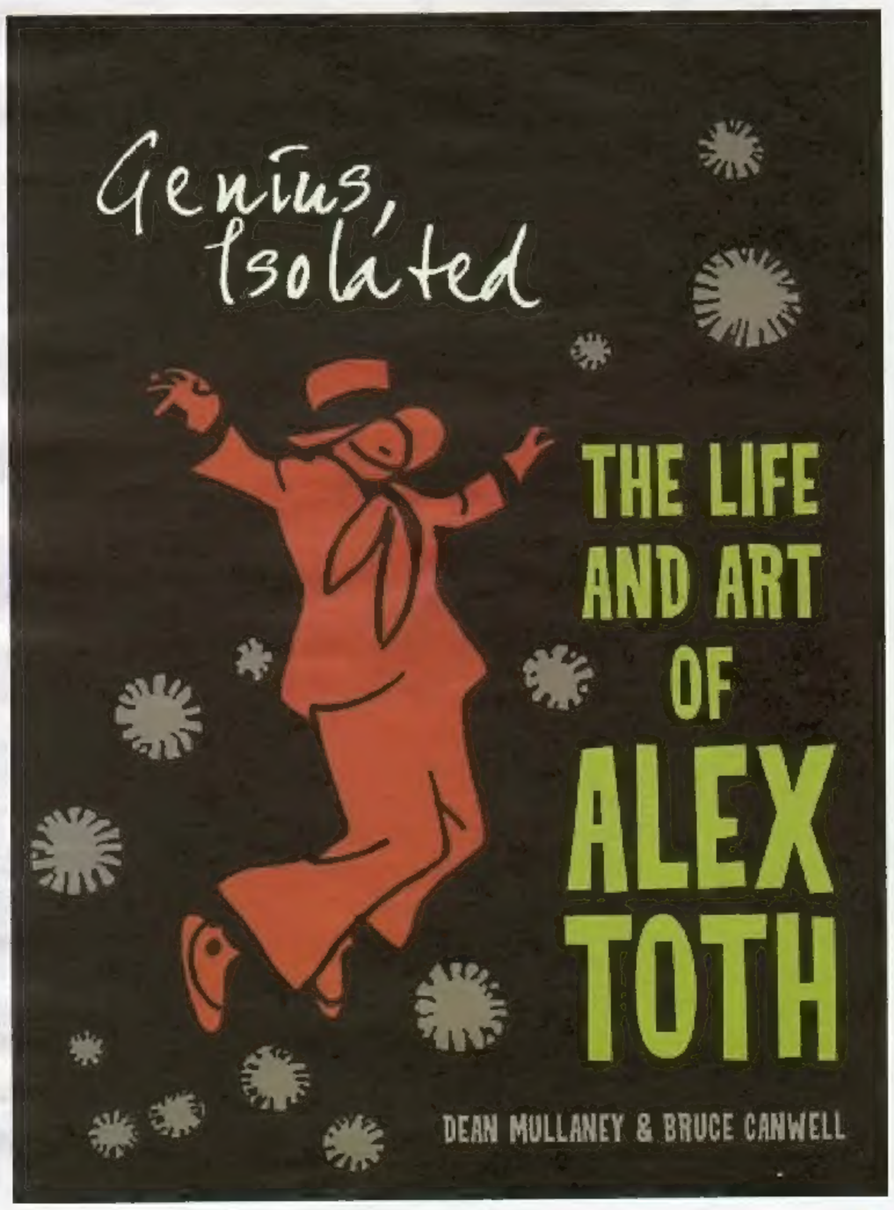
Twenty-five years ago, *Art Spiegelman's* ***Maus*** changed how many view comics today. Now, Spiegelman revisits his Pulitzer Prize-winning story in ***MetaMaus: A Look Inside a Modern Classic, Maus***. This amazing book offers a personal look back on his creation and answers some of the most often asked questions. A DVD included with the book contains a digital reference copy of ***The Complete Maus,*** audio interviews, reference material, and more. This is a must have for any fan of ***Maus*** or history in general.

Genius Isolated: The Life and Art of Alex Toth is the first biography of this pioneer in comics. The Eisner Award-winning team of *Dean Mullaney P Bruce Canwell* worked closely with Toth's children and had complete access to the Toth family archives. After two years of intensive research and interviews with family, peers, and friends, the life and career of Toth is lovingly presented to fans. ***Genius Isolated*** also reprints several stories, including a never-before-published story from the 1950s. This book is the first volume in a series of three books that your fan is sure to love.

Jack Magic: The Life and Art of Jack Kirby Vol. 1 & 2 (above) is another biography fans will not want to miss. *Greg Theakston,* Kirby's workmate and personal historian, delivers a detailed biography of The King of Comic's life and work like none before. ***Jack Magic***'s pages are filled with tons of amazing art and quotes from industry legends like Joe Simon, Will Eisner, and many more!

Batman is one of the most popular comic book heroes in the world, and fans all over enjoy watching him brought to life on the big screen. In ***The Boy Who Loved Batman,*** *Michael Uslan* describes his life from being a childhood fan to the man who fought for and brought *Batman* to the silver screen.

The Joker: A Visual History of the Clown Prince of Crime is the first comprehensive



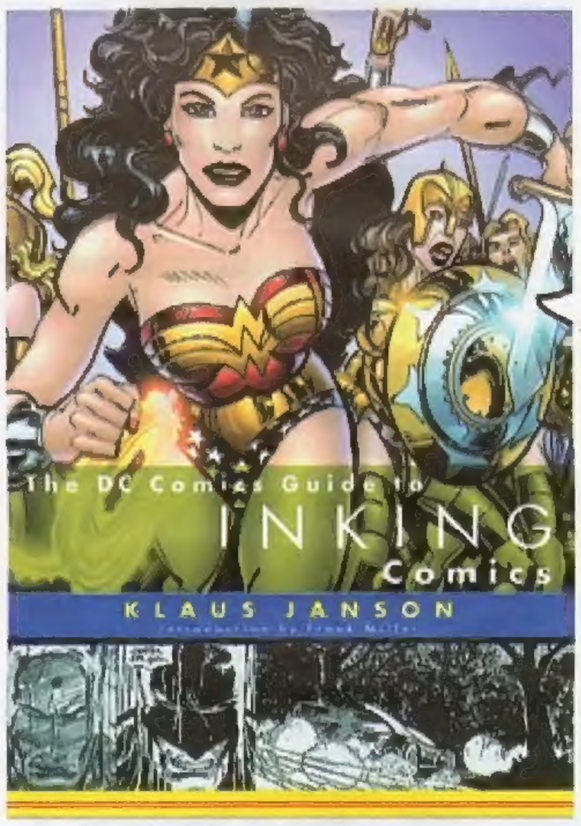
exploration of one of Batman's most well known villains. Images from comics, stills from television and film, and creators the likes of Bob Kane, Grant Morrison, and Neil Gaimon all tell the story of how this character came to be the definition of comic book baddie. This is the perfect gift for the Bat-fan on your list!

If you are looking for a fun and unexpected gift, ***Mail-Order Mysteries: Real Stuff from Old Comic Book Ads*** may be just the surprise gift you are looking for! Pop-cultural historian Kirk Demarais explores the world of those amazing ads everyone saw in their comics for things like ray-guns, life-size monsters, x-ray specs, and many other grand promises. Readers can finally see what they were missing as Demarais shares his impressive collection of more the 150 mail-order treasures.

Art books are always a great addition to any fan's collection, and there are some great new ones out this year. From creator specific books like ***Cover Story: DC Comics Art of Brian Bolland*** (above), ***Art of Joe Jusko,*** and ***Dave Stevens: The Complete Sketchbook Collection,*** to broader collections like ***Star Wars Art: Comics,*** there is something for everyone.

Fans are always interested in the value of their comics--and no publication gives them more comprehensive information about more books than the ***Overstreet Price Guide 41st Edition***. This book also makes a remarkably useful checklist-index, even for the fan who has no plans to buy or sell back issues!

If you're looking for a great book for the kid who wants to be a comic creator, then the classic ***How to Draw The Marvel Way*** is a must have. *Stan Lee & John Buscema* take aspiring creators through an encyclopedia of information for creating their very own comic book.

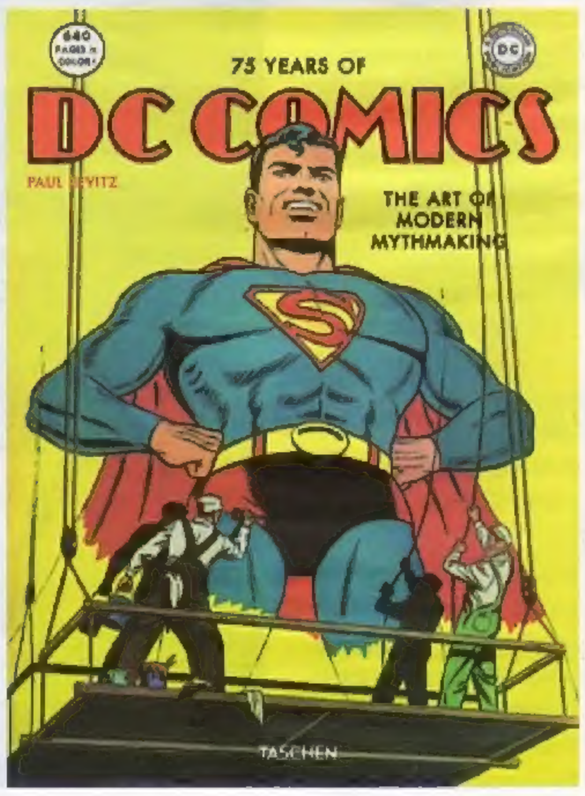


DC Comics offers a line of art books to help your up-and-coming artist: ***DC Comics Guide to Inking Comics, DC Comics Guide to Digitally Drawing Comics, DC Comics Guide to Penciling Comics,*** and ***DC Comics Guide to Coloring and Lettering Comics.*** There are also many other how-to art books available at your local comic store.

For the aspiring writer on your list, ***Stan Lee's How To Write Comics*** offers an easy to follow guide on creating comic book characters and stories. The invaluable advice and tips offered in this book will benefit beginning and more advanced writers.

Want to read a history compiled by a man who lived through most of it? *Paul Levitz,* who has worked for DC for more than half of its 75 years, is the author of ***75 Years of DC Comics,*** a massive hardcover packed with so much information and art that even the most diehard DC fan is sure to find something new in its pages.

And if this isn't enough of a selection of holiday goodies about the comics field, you can find still more at your local comic shop. Talk to the friendly people there and let them know what sort of thing you're looking for; they'll take over from there and point out a variety of great gift ideas on their shelves.



Gift Ideas

As the holidays grow ever closer, leaving you scrambling for ideas for gifts for a comics collector, you might want to consider numerous smaller items that any collector can use. Most of these gift ideas are inexpensive, readily available, and very popular with collectors.

You might think that every collector only likes to read comics, but that isn't always the case. For those with the creative spark, many comic shops carry blank comic books that allow readers to create their very own story. Shops will also have blank comic art pages and other comic creation tools. Ask your local comic store for any more recommendations for the aspiring artist.

Comic bags always make great gifts. A hundred bags aren't very expensive, are often useful, and are frequently overlooked when collectors are buying for themselves. If you know a collector who has a large collection he's never gotten around to bagging--a common problem with collectors who have thousands of books--then a thousand bags would be even better!

If you want to give the collector a real "gift assortment," then put together a package of a hundred modern bags (to fit recent comic books), a hundred silver age bags (to fit older comics and slightly-larger independent books), and a hundred magazine bags (for magazines and graphic novels). Even if the collector is well stocked on bags now, he'll be able to use them later. Furthermore, many collectors never remember to buy the odd-sized bags they need for some items in their collections. This assortment will cover books of all sizes.

If you want to help a comics fan upgrade to the Cadillac of comics bags, you can buy him or her some of the more expensive mylar bags. These deluxe bags offer the ultimate in comics protection--and they're the sort of gift that many fans don't normally pick up for themselves.

Backing boards are another sort of "splurge items" that most collectors rarely buy for themselves. These are acid-free, specially-treated boards that fit in the bag behind the comic book, adding strength to the bagged comic and protecting it from bending and other damage. Again, most comic shops carry these by the hundreds or the thousands; boards are not only useful and functional gifts, but they can make a collection look much, much better as well!

Combining the best of both worlds, UltraPro Comic Preservers offer a bag and board combined. The board is sealed in its own area, so the book never touches the board. The Preservers are also self-adhesive!

What about boxes? If you're looking for last-minute gifts and tired of seeing comics scattered all over the house, then you should really consider a gift of comics boxes. For those fans who have plenty of room, full-sized boxes are perfect; these boxes are about 27" long and hold about 350 comics. For collectors who are trying to keep their collections in bedroom closets, half-sized boxes might be a better idea; these boxes are about 15" long and hold just a little more than half as many comics as a full-sized box. Since they're not as deep, though, they fit in a closet easily. Magazine boxes are also available for graphic novels and magazines; these only come in the shorter length.

And like the high-end bags, there are now high-end boxes. Whether you choose to pick up some of the high-quality plastic boxes, made to endure for the long haul, or go with the wonderful Collection Drawer Boxes, which are designed like a drawer so the comics can be viewed at any time by pulling out the drawer and getting to the good stuff, there are great options available. (Don't forget box-locks, so the drawer boxes can safely be stacked on top of each other!)

Plastic dividers are a luxury item that can help organize a collection; these sturdy dividers are like the ones many comic shops use and offer a tab that stands taller than the books with room to mark titles, etc. This will help keep the collection neatly separated and make it more accessible to the collector who likes to keep everything organized. These are available individually or in hundred lots.

The best idea yet might be to combine all four into a gift package, complete with 300 bags, 300 backing boards, a dozen divider cards, and a full-sized box; or 200 bags, 200 backing boards, a half-dozen dividers, and a shorter box. This will give the collector enough bags and backing boards to fill up the box with his newly-bagged collection, along with divider cards to keep the books neat and orderly.

DVDs and Blu-rays make great gifts, and this year has been very kind to comics fans. There have been many great superhero based live action and animated films and television series, including the recently released ***Thor, The First Avenger: Captain America, X-Men: First Class, Batman: Year One, Green Lantern, Cowboys & Aliens*** and ***Green Hornet*** films and ***The Walking Dead, Season One*** TV series. Comic shops offer an assortment of DVDS that should suit any fan.

Comic shops also carry comics-related calendars, stuffed toys, adventure books, illustrated novels, audio adventures, key-chains, t-shirts, hoodies, and the like, all of which are suitable for gift giving. There's no better "Santa's helper" than your local comics shop staff; they know what's new, what's available, and can work within a price range that you set. With their help, you can be sure to find items to make this holiday season memorable for a comics fan.

The *Christmas Checklist* is an alphabetical listing of all the gift items mentioned in the ***CSN Christmas Special***, along with other recommended gift ideas. In the case of multi-volume sets, a space is provided to list the preferred volume. Feel free to use this as your personal Christmas Wish List and even make extra copies for friends and relatives.
